

# Connect the Dots

Connect the dots to find the helicopter and its target.

Genesis is managed for NASA's Space Science Division by the Jet Propulsion Laboratory (JPL), a division of the California Institute of Technology (Caltech). Genesis is a collaborative partnership made up of the California Institute of Technology, the Jet Propulsion Laboratory, Lockheed Martin Astronautics, NASA Johnson Space Center, and Los Alamos National Laboratory. The Genesis mission is the fifth chosen for NASA's Discovery Program. Genesis education materials are developed under contract by Mid-continent Research for Education and Learning (McREL), Aurora, CO.
